1st step

Gather Data & Regulations

(1-2 Days)

A 3D architectural rendering of a building with a cutaway section, showing the interior structure. The building is composed of several stacked rectangular blocks. The cutaway section reveals the internal layout, including a central area with a recessed floor and a series of steps or platforms. The rendering is in a light gray color against a dark blue background.

The new process...

1st step

Parametric Modelling & Analysis

An aerial photograph of a city street scene, featuring various buildings and greenery. A semi-transparent 3D architectural rendering of a modern, multi-story building with a flat roof and large windows is overlaid on the image. The rendering is positioned in the center, showing its integration into the existing urban environment. The text 'The new process...' is written in a light green font, and '2nd step' is in a light blue font. The main title 'AI VISUALIZATION IN 3D' is in large, bold, white letters.
